Greetings Local Businesses,

BF Street Kitchens is a food truck based out of Clear Lake, WI. We want to serve your employees lunch! We are self contained with our own generator and require no assistance from your establishment. It is as simple as pulling up in your business' parking lot and serving lunch out our window.

For speed and accuracy purposes, we provide a 2-3 item menu of your choosing. We require a \$500.00 minimum order and payment made ahead of time. If your company has less than a 50 item order we are able to box your lunches up and deliver them to your door.

Attached you will find our lunch menu. We look forward to serving your company lunch. Please contact Kelly at kelly@BFSTREETKITCHENS.com today to organize your lunch!

Sincerely,

Kelly Dimler, BF Street Kitchens
